COMPETITION ENTRY RULES AND REGULATIONS

N.B.: Infringement of the following rules will cause disqualification.

1. Solo dance items are an open section for 2023.
2. Special Definitions:
 - Freemovement is defined as dance movements not held by the rigid constraints of classical ballet, often shedding tutus for freer outfits, bare feet and untied hair; however the movements should demonstrate a flowing effect of the human form while interpreting the words and/or feelings of the music or song.
 - Contemporary is defined as abstract dance movements not bound by the restrictive rules of classical ballet; stylized, abstract movements. A style of theatrical dance that rejects the limitations of classical ballet and favours movements deriving from the expression of inner feelings.
 - Hip Hop is defined as energetic dance movements that are derived from break-dancing, but does not consist wholly of break-dancing moves. Unlike most other forms of dance, which are often at least moderately structured, hip hop dance has few (if any) limitations on positions or steps. It is about the attitude and creativity of the dancer and choreographer.
 - Jazz dancing is a form of dance that showcases a dancer's individual style and originality. Every jazz dancer interprets and executes moves and steps in their own way. Jazz dancing is energetic and fun, consisting of unique moves, fancy footwork, big leaps and quick turns.
 - National Dance sections include dances from specific countries or cultures, often passed down through generations which demonstrate inherited tradition and show typical customs of a particular country, nation or ethnicity. National Dance could include European, Asian, American, South Pacific and African cultural styles. This section does NOT include Scottish or Irish Dancing due to specialised competitions for this style of dance.
 - Demi-Character Must be based on classical technique and have a strong story line or characterisation clearly transmitting an emotion.
 - Acro Dance is a style of dance that combines classical dance technique with precision acrobatic elements. It is defined by its athletic character, its unique choreography, which seamlessly blends dance and acrobatics, and its use of acrobatics in a dance.
 - Cabaret/Broadway Jazz A Broadway themed jazz routine, **this style can also include the use of heels in age groups 13 years & above**. Cabaret or Broadway Jazz is a unique blend of ballet and modern jazz and is distinguished by its emphasis on exaggerated movements and high energy
 - Musical Theatre or Novelty – is defined as a routine that is theatrical in nature and choreographed to music from cinematic musicals or Broadway. A high focus on musical interpretation and story telling. Singing and or lip syncing is permitted but not compulsory. An all round entertaining routine.
