You will be required to have a valid "music uploads cloud storage" this will allow you, to store your Music, Voice Critiques, and Routine Videos all in one location. Plans are charged at a Minimum of 3 to 12 months starting at less than \$1/month, Plus your music can be transferred to other participating competitions all over Australia without having to re upload your music each time.

Region Add-ons

For each competition that is entered, you will need to add a region to your cloud account. This will link the Music, Critiques and Videos so they can be transferred or viewed from one to the other. The fee for this is per Family, Studio or School is \$2.50, and there is no limit to siblings or students, it will just depend on your selected storage plan.

How it works

- If you have already uploaded your music to this service before, you can simply purchase the region add-on, and transfer your music over to us.
- If you are new to this, you need to set up the cloud storage account first and confirm it is active.
- Upload your Music into the Storage Folder in your account.
- Transfer a copy of the songs to the Region, you can check them to make sure they are all correct.
- Done! No need to stress about your music now, as you now can see the music is 100% ready to go.

Just Remember, It is the responsibility of the competitors to ensure that they have the correct music files uploaded to each routine. You can change your music files at any time before the cutoff dates, and this is all done within your Music Uploads account, you have full control over this from now.

Critiques and Videos

Critiques will be uploaded either on the day or after the event has finished. To access these, log into your Music Uploads account and on the main dashboard page look to the top Left of the screen or on a mobile device click on the Menu list. If the onsite video company is collaborating with Music Uploads they will deliver your videos directly into your storage account.

Support

If you would like some support there are videos located on the support page or you can send a ticket in, and one of the team members will respond to you. DO NOT Post on Social Media, Text or Message any questions to these pages, as the support team will not see them. You must send a ticket from the support page so they can offer you some assistance.

TIME LIMITS -

Troupes 5 minutes max. Including reprise

NOTE: Reprise is not essential

Should a performer go over time by more than 10 seconds a deduction of 4 points will occur.

Music / Act will be timed from 1st movement / 1st sound to last movement / last sound

PROMPTING -

No prompting from side stage or in the audience is permitted for competitors 7 years + – this can lead to disqualification.

Babies (3&4yrs) & 6/u may have prompting – prefer to be done from the mid/back of the hall (preferable centred behind adjudicator is fine). The reason for avoiding side stage prompting is to avoid young dancers performing with their head turned the entire time – we want to see their beautiful faces!

PROPS

YOU WILL NEED TO CHECK IN ON GOVERNMENT & VENUE GUIDELINES. WE WILL MAKE THE NECESSARY GUIDELINES KNOWN CLOSER TO THE TIME. IT IS UP TO YOU TO STAY UP TO DATE VIA OUR SOCIALS. MAY BE HAND HELD PROPS ONLY.

IF ALL IS OK OUR USUAL RULES WILL APPLY

If reasonable to do so competitor should set up and remove their own props

Props are not to be stored in the hall throughout the day. They can be placed backstage or front of house at the beginning of each section and must be removed immediately after use.

TROUPE Weekend – please see sound desk if you need storage for large props and we will direct you
