Section Descriptions

'Any Other Style' may include genres such as musical theatre, acrobatics, novelty and/or ANY dance style will be acceptable.

'Professional Experience Audition' is an individual entry. Students will spend 30 mins with an industry choreographer learning a short sequence in their entered style. They will then perform the sequence in groups in an 'audition style' format. It's a great experience to learn from someone new whilst gaining an authentic insight of auditions.

'Student Choreography' must be choreographed and formed by a currently enrolled student in the correct age group. The age group must be the age of the choreographer and performers.
